I was running...someone chasing me...i'm in the woods..but where?...faster...faster...no i tripped..i'm on the ground..he's above me

"Did you really think you could run Amilesse?" His sickly bitter voice said

"Please!" I shrieked

He grabbed my wrist and started to drag me back from where I was running from

"NO PLEASE! PLEASE NO! NO LET ME GO! PLEASE!" I screamed at the top of my lungs

I knew if I didn't escape I was dead...

My last chance was....now

I screamed and fought I twist and turned

But he was stronger

But this wasn't the end...my fight wasn't over

No....this was NOT the end

Not yet at least...

Chapter 2 by Darkforest

I grabbed a rock from nearby and found my footing before I twisted and smashed the rock into his nose.

He screamed and his head snapped back as I slammed the rock against his face. His hold on my wrist loosened and I yanked my arm free and took off at a dead sprint in the other direction.

I heard him yell my name "Amilesse" it rung in my head a haunting declaration of war.

He will come. He will search for me. He will kill me.

I can't let that happen.

I ran faster through the woods gathering speed and momentum to thrust me through the trees.

I heard his footsteps behind me as a dodged a tree and jumped over it roots. He got hold of me and wrestled me to the ground. I screamed and he flipped me on my back and covered my mouth.

It wasn't him.

"Who are y-"

"Shhh! he cut me off before I could finish. "Come with me,"
